

One Wish · One Aim · One Million Reasons

## Official Launch of Wish For Rwanda

**Wish For Rwanda** is a charity, which aims to raise funds to deliver projects in Rwanda which will promote health & education and provide hope for the future to a country which has a devastating history.

In 1994, during 100 days, up to 1 million people were killed. Our aim is to raise £1 for each life lost, which will help to provide a brighter, safer, healthier future for the survivors.

In the new year, we will be holding the official launch of Wish For Rwanda. If you are interested in hearing more about Rwanda and how we will be spending the funds raised, please join us.

Invitations will be sent out in the new year, please let us know if you would like to attend. Simply print this form, complete your details below and send to **Wish For Rwanda, Kingston House, 82 Kingston Avenue, Edinburgh EH16 5SW.**

*Please fill in all fields. Please print clearly*
