

**BUY A BRICK
 DONOR FORM**

Wish For Rwanda is a charity which raises funds to deliver projects in Rwanda which will bring comfort and aid to the widows and orphans of the genocide which took place in 1994. The first project will be the construction of a new Health Centre in the district of Gasabo, near the capital city of Kigali. In this district lies The Village of Hope, a village where widows and orphans are being housed. This is a place where they can live in a family atmosphere, a place where they can heal and learn as they look to the future.

A Health Centre in this area will provide the community with stability and generational benefits for the advancement of health and welfare. Our vision is to provide well-equipped premises and trained medical staff, in addition to introducing clinics by visiting physicians for community sessions on issues such as general child welfare, hygiene, nutrition, immunisation, pre-natal and maternity care, family planning, avoidance of malaria, eye clinics and HIV/AIDS clinics.

YOU CAN HELP TOO BY BUYING A BRICK

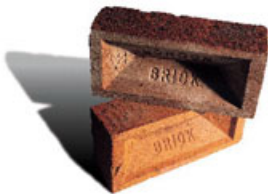

A commemorative gift for family or friends, a birthday gift for the person who has everything, an usual Christmas gift, a brick in memory of someone or just to tell that special person you are thinking about them. Every brick bought by you makes a difference.
